PERRIN & ROWE®  
MAYFAIR LONDON

A DISTINCTIVE MEMBER OF THE HOUSE OF ROHL

## PERRIN & ROWE

Over forty years ago in East London, friends Bob Perrin and Greg Rowe began an extraordinary partnership.

Working together, they combined a talent for design with a delight in solving engineering problems. They made their name, and international reputation, by producing the world's first tap that dispensed hot, cold and filtered water – using their own Triflow technology. Their ethos of British design, engineering and craftsmanship is enshrined in the Perrin & Rowe brand.

## LANGBOURN

A place where old and new collide.

An ancient ward in the City of London, Langbourn is a melting pot of architectural styles where churches designed by Sir Christopher Wren are flanked by the city's most distinctive skyscrapers.

Introducing the Langbourn collection, a modern range of brassware with clear roots in tradition.

## METROPOLITAN STYLE TO ELEVATE ANY BATHROOM SPACE

Available in a full spectrum of finishes:

Polished Chrome, Polished Nickel, Pewter,  
English Bronze, Gold, Polished Brass, Satin Brass.

## THE DESIGN

Taking a clean, tubular form, the Langbourn range references classic brassware styling in its shapes and proportions. In highly-polished Chrome, Langbourn complements chic and contemporary spaces, whereas a Polished Brass finish naturally suits a more traditional design.
